

Call for Abstracts for Student Presentations

Spring Meeting of the Geological Society of Maine Wednesday April 4th, 2014 Bowdoin College

The Spring Meeting of the Geological Society of Maine will be held at Bowdoin College in Brunswick, Maine on Friday April 4, 2014. Following our 34-year tradition, this meeting will involve student presentations and posters in the afternoon, followed by a keynote speaker. All advisors of undergraduate and graduate students should encourage their students to participate and present their work orally or by poster. There are cash prizes for both best undergraduate poster and oral presentation. Please submit your abstracts as soon as possible - but not later March 19, 2014. Abstracts will be compiled and handed out as a Program and Abstracts supplement to the newsletter at the meeting.

Submit abstracts by email to: mparker@bowdoin.edu

Please indicate in the subject line if it's a **GSM poster abstract** or **GSM oral abstract**

Mailing Address: Marjorie Parker, Bowdoin College, Earth & Oceanographic Science

Deadline: no later than **Wednesday, March 19, 2014**

Abstract Format: [Poster or Oral presentation]

Please send as an attachment in *file.doc* format

DETAILED TITLE, ALL CAPS

LAST NAME, First Name, Department, College, Address, email address

Text of the abstract describing the work succinctly using a GSA style format.

Please limit the abstract to 300 words.

See the GSM website www.gsmmaine.org for an abstract example and more information about the upcoming meeting.
